**Subject:** Stop the Anti-Microsoft Witchhunt

Please put a stop to the economically-draining witch-hunt against Microsoft. This has gone on long enough.

Microsoft has already agreed to hide its Internet Explorer icon from the desktop; the fact is, this case against Microsoft is little more than "welfare" for Netscape and other Microsoft competitors, with not a nickel going to those supposedly harmed by Microsoft: the computer user.

This is just another method for states to get free money, and a terrible precedent for the future, not only in terms of computer technology, but all sorts of innovations in the most dynamic industry the world has ever seen.

Please put a stop to this travesty of justice now. Thank you.

Sincerely,

Brock N. Cordeiro
